Dear Corporate Sponsor Contact:

The Ghanaian Women's Association of Georgia (GWAG) is seeking donations that primarily help with the costs to successfully serve the women and children in underserved communities in Ghana and locally here in Georgia. Currently, we rely solely on our annual maternity fundraiser and generous donations received from our families, friends and local supporters.

In addition, GWAG focuses on promoting educational objectives here in Georgia through scholarship and to empower women in their entrepreneurial endeavors.

Your generous donations will help with the following expenses incurred in our Ghana and Georgia efforts:

- Education Scholarships for young women pursuing higher education
- Renovation of underserved maternity wards (Ghana)
- Maternal Health education and training
- Supporting maternal and child needs
- Supporting Women Entrepreneurship

GWAG wants every mother, every business woman, every female student to have the opportunity to elevate her talents and abilities and we need your help and support!

Please also visit us on our website, <http://ghanawomen.org/>, if you would like to contribute electronically.

Your tax-deductible donation will help our cause and to achieve our goals.

Thank you in Advance for supporting GWAG! We look forward to an exciting year!

Please fill out the attached slip and return in an envelope to the following address:
